Family resources, fun activities and live entertainment:

- 20+ local providers offering fun games for kids and free resources for parents
- Dog sled rides for children aged 4-12 years old
- Husky and caribou petting
- Local performances from groups as varied as aerial silk artists to Alaska Native dancers and school bands to gymnastics teams
- And more!

Our family always looks forward to going to Mush for Kids. Our littlest loves petting the caribou and huskies and our [older] daughter gets into a lot of the performances. - mom of 2

We drive up every year for this. My daughter loves it. It's nice to have something to do as a family in the middle of winter. - Healy dad
